Dear Mr. Pierre Calame,

Thank you for your letters dated 13th and 22nd February, 2007.

As you requested, during my recent meeting with President of the European Parliament, Mr. Hans-Gert Poettering on last 5th March, I talked with him about the second China-EU forum and I clearly expressed the support for the forum from myself and the Chinese mission to the EU. Mr. President affirmed his personal support for the forum and underlined that the issue would be referred to at the Conference of Presidents of the European Parliament.

With the remarkable achievements made by the first China-EU forum, I

firmly believed the second forum will continue to serve as an important instrument to rally people from all circles of life in an effort to push forward the development of China-EU relations. I sincerely wish the forthcoming forum a great success.

Best regards.
