CHINA-EUROPA FORUM

**“Inter-workshops” Challenge Group N°4 « Role Challenge »:
China & Europe in the World.**

Preamble: *These are the various points that have been identified and approved by the Chinese and European participants to this group.*

Please note that due to the time constraint on last Wednesday 14 July 2010, they have been finalised and printed in English language. Unless it has been reviewed, completed and posted into the systems already, the Chinese translation here below is not the one corresponding to what is expressed in English.

Such an update of the Chinese translation has been requested to the relevant Chinese participants to this group.

第四组 挑战

全球化与中国和欧盟的角色

1 关于贫困人口与老年人的住房政策
